

General Aviation Airport Grant Awards - 2019

Version: 6 June 2019

\$1,890,646.00 - Funds that are recommended for allocation to General Aviation Airports

F - Federal Project	NE - Not Eligible	R - Repeat Request
* - Completed	S - Supplemental	

All Grant Allocations will be approved on a project percentage basis not to exceed the dollar amount approved. When project bids are officially accepted by the airport sponsor, notification will be required to the Aeronautics Commission Office to determine the official grant allocation dollar amount. The remaining grant allocation balance for each project will then return to the Aeronautics Commission to be used for future airport project allocations.
