HOW TO PARTICIPATE

Visit your local publicly owned airport or contact the ND Aeronautics Commission to request a Create a Flying Legacy Passport. This program is an extraordinary opportunity for pilots, aviation enthusiasts, and the general public to see the valuable assets in our airport system while discovering what North Dakota has to offer.

Fill in the page at the front of your passport with your name and contact information. When you attend an FAA safety seminar, have your booklet signed by the instructor. Each time you visit a North Dakota publicly owned airport aviation museum, have your passport booklet stamped in the appropriate box. The location of each airport stamp is stated in the passport and is usually located in the pilot lounge next to the visitors' log. When you have earned the proper number of stamps, submit your passport (it will be returned to you) to the North Dakota Aeronautics Commission, P.O. Box 5020, Bismarck, ND 58502. Phone: 701-328-9650. Visit a community event or attraction by searching NDtourism.com or call 1-800-HELLO-ND before you begin your legacy flight! Each airport box in the passport booklet also has a local attraction listed. For more information on

the ND passport program, please visit www.nd.gov/ndaero.
